FOR

## CONSULTANCY SERVICES FOR A STUDY ON ANALYZING THE MACRO-ECONOMIC IMPACT OF OIL AND NATURAL GAS

### Invitation for Expression of Interest

Date: 07<sup>th</sup> September, 2018

1. This invitation for expression of interest follows the General Procurement Notice (GPN) for this project which was published in the UN Development Business (UNDB online) and the African Development Bank's Internet Website ([www.afdb.org](http://www.afdb.org)) on 30<sup>th</sup> November, 2017 and on the African Development Bank Group's Internet Website.
2. The Government of United Republic of Tanzania has received financing from the African Development Bank towards the cost of the Institutional Support Project for Domestic Resource Mobilization and Natural Resource Governance (ISP-DRM-NRG), and intends to apply part of the agreed amount for this loan to payments under the contract for Consultancy Services for a Study on Analyzing the Macro-Economic Impact of Oil and Natural Gas.
3. The Tanzania Petroleum Development Corporation (TPDC) on behalf of the Energy and Water Utilities Regulatory Authority (EWURA) as beneficiary now invites eligible individual consultant to indicate interest in providing the services which include but not limited to the following tasks:
  - (i) To analyze natural gas contribution in economic growth (GDP);
  - (ii) To analyze the implications of natural gas on country's fiscal policy;
  - (iii) To analyze the impact of natural gas business on the rate of foreign exchange;
  - (iv) To study the estimated oil and natural gas industry's total impact on labor income; and study jobs directly or indirectly in the industry supported by those in the industry;

- (v) To estimate the direct, indirect and induced economic impacts on employment, value added and labor income;
- (vi) To determine the impacts of the oil and gas industry are felt throughout the economy. The study should separate the impact between operations and capital investment;
- (vii) To study its impact in services, wholesale and retail trade, finance/insurance/real estate/ leasing, manufacturing and transportation; and
- (viii) To analyze the domestic and regional social-economic impacts of natural gas business (current and future projections);
- (ix) Supply the economic model to establish the saved forex due to the use of natural gas in power generation and industries instead of oil for the period of 2004-2017

The time line for the consultancy works is six (6) months.

4. Interested Individual consultant must provide information indicating that are qualified to perform the services by submitting proposal contain updated detailed CV's, methodology, work plan, description of at least two (2) studies of similar nature and magnitude during his/her carrier, must indicate experience in at least two similar assignments in Tanzania or elsewhere, including name and address of the client, description of the assignment undertaken.
